- Energized Electrical Use Only products are not to be used for motorized vehicle maintenance or their parts. Refer to product labels to check for the presence of an "Energized Electrical Use Only" statement.

This guide is provided to assist our customers in determining product compliance with various state-level consumer products VOC regulations and Chlorinated Solvent restrictions. Please be aware that states may amend their regulations at any time and that additional states may adopt regulations in the future. PLZ Corp will make a good faith effort to update this guide to reflect any changes. It is the responsibility of our customers to only sell products for use in areas where they are compliant for use. This guide does not cover regulations that are regional in coverage, such as air district regulations, or regulations pertaining to specific industrial uses. The most current version of this guide will be maintained on our website at <https://www.plzcorp.com/regulatory-information> Customers are advised to periodically check the website for any updates to this guide. Specific questions can be directed to our Customer Service Department at CFSCustomerservice@plzcorp.com.

NOTE: the states not listed in this table do not have Consumer Product VOC rules and are only subject to the EPA National Rule on VOC content of consumer products. All of our products are compliant with the EPA National Rule based on the formulas and the product labeling for our intended markets.
